- 1. I agree to keep their microchip info updated with current contact info.

- 3. I have the property owner's or landlord's consent to bring the cats to live on the property.

- 10. If I have to move and cannot take the cats with me or become unable to care for the cats in any way, I will contact Frederick County Animal Control & Pet Adoption. Ph: 301-600-1546

 © I will be financially responsible for any borrowed equipment not returned within 30 days of adoption.

Barn Cat Buddies relies on your generous donations for veterinary care, food, and equipment for this program.

~The average cost for veterinary care to prepare a cat for adoption is \$60. If you are able to make a donation, we would be very grateful. **Thank you for adopting!**
